(1) Describe the purpose of this DoD information system or electronic collection and briefly describe the types of personal information about individuals collected in the system.

One is an on line vendor payment system. One Pay provides invoice tracking, online inquiry, invoice status reports and disbursing reports. This information is obtained from file transfers from the accounting and pay entitlement systems.

DFAS adheres to physical protections of PII as described in accordance with DFAS 5200.1-R. IA policy (DFAS 8400.1-R) prescribes protection requirements for sensitive data, to include PII, for all DFAS systems. Management responsibilities for protecting data are maintained in DFAS 8500.1-R
