Military and Civilian W-2s available now on myPay

ARLINGTON VA (Jan. 24) – American military members and Department of Defense civilians can now view, save and print their W-2s from myPay (<https://mypay.dfas.mil>). Military retirees and annuitants can view, save and print their 1099s as well.

myPay provides a secure, convenient way for members of America's armed forces, Defense civilians, military retirees and annuitants to manage their pay account information. Available around the clock, customers can make changes online that previously needed to be made standing in line.

Customers can also help the Department of Defense save money by volunteering to turn off the print copy of their Leave and Earnings Statements and checking it on line. The Defense Department can save up to 34 cents for each LES that is delivered electronically instead of in hard copy.
