

Licenses for Oracle Designer and Developer should be requested by the Technical Project Officer (TPO) for their personnel. TPO's are also responsible to insure that unused licenses are returned to their POC's

DFAS licenses for Oracle Designer and Developer are maintained by the following individuals:

DFAS-HQ	Bob Craddock	(703) 607.3970
ISO	Joellen Reinhardt	(317) 510.7655
CL	Doina Hengenius	(216) 522.5932
CO	Carol Webb	(614) 692-9564
DE	Nancy Hada	(303) 676.6583
IN	Tom Litkowski	(317) 510.3333
KC	CPT Chad Bernholtz	(816) 926.3095
SEOPE	Steve Pinney	(850) 452.2990

Installation should be from the CDs EPET created specifically for DFAS.

The Designer software was released on an EPET CD.

A second CD was created for users who need, and are licensed for, Designer & Developer and the Developer Oct 98 Patch.

All new patches will be created by DPET and released via OMD to each centers LAN Team for distribution to licensed Oracle Designer and Developer users.
