## PRIVACY IMPACT ASSESSMENT (PIA)

PRESCRIBING AUTHORITY: DoD Instruction 5400.16, "DoD Privacy Impact Assessment (PIA) Guidance". Complete this form for Department of Defense (DoD) information systems or electronic collections of information (referred to as an "electronic collection" for the purpose of this form) that collect, maintain, use, and/or disseminate personally identifiable information (PII) about members of the public, Federal employees, contractors, or foreign nationals employed at U.S. military facilities internationally. In the case where no PII is collected, the PIA will serve as a conclusive determination that privacy requirements do not apply to system.

(BSO). Personal information about individuals collected in the system includes permanent change of station (PCS) and or temporary duty travel (TDY), and civilian and military personnel pay information.  SABRS contains financial information, names, rank/grade, Social Security Numbers (SSNs), and truncated SSNs, work email addresses, PCS and TDY. SABRS receives the information through secure file transfers from other accounting and pay entitlement systems. SABRS maintains the information within the system. Individuals cannot retrieve the information using a personal identifier.  d. Why is the PII collected and/or what is the intended use of the PII? I. What is the National Archives and Records Administration (NARA) approved, pending or general records schedule (GRS) disposition authority for the system or for the records maintained in the system?
(1) NARA Job Number or General Records Schedule Authority. Schedule 7335, DFAS 50
(2) If pending, provide the date the SF-115 was submitted to NARA. $N/A$
(3) Retention Instructions.
Cutoff at end of payroll year. Destroy 10 years after cutoff. AUTH: (GRS 1.1, Item 010)
m. What is the authority to collect information? A Federal law or Executive Order must authorize the collection and maintenance of a system of records. For PII not collected or maintained in a system of records, the collection or maintenance of the PII must be necessary to discharge the requirements of a statue or Executive Order.
<ol> <li>If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be similar.</li> <li>If a SORN does not apply, cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply).</li> </ol>
(a) Cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.
(b) If direct statutory authority or an Executive Order does not exist, indirect statutory authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.
(c) If direct or indirect authority does not exist, DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component must be identified.
