20-0151: Length: 1 year Duties: Position receives broad and general guidance from the Program Manager, Facilities Security Forces Training & Advisory Group (FSTTAG), currently a senior O-6 billet, eventually becoming a one-star GD position. Position serves as the Chief of Staff with responsibility to assist in the execution of all matters pertaining to FSTTAG. Acts on behalf of the Program Manager (PM) for delegated responsibilities and has total authority to act on any command issues in the absence of the PM. Performance is evaluated for overall adequacy, conformance with established policy, achievement of organization objectives, and soundness of judgment exercised. Position performs critical liaison functions with the Saudi Arabian Ministry of Interior, U.S. Embassy - Riyadh, and Office of the Program Manager, Ministry of Interior (OPM-MOI). Supervises and evaluates personnel in the Command and Support divisions in addition to providing staff oversight of military and civilian Division Chiefs. Acts for PM in his absence. Establishes program objectives, develops long range plans, and identifies required resources in order to promote an efficient, economical, and progressive organization. Interprets and implements local and higher echelon policies and regulations. Position assigns responsibility for accomplishment of specific functions and participates with other managers in setting organizational goals as well as assures development and establishment of adequate internal control systems. Coordinates the accomplishment of major projects and has the responsibility for policies, plans, and analysis which directly shape and improve FSTTAG missions, activities, and base operations.

20-0172: This position is for the Tactical Air Control Party Modernization (TACP-M) projects and subsystems. Projects to include Gateway, (GW) and Gateway Lite (GWL), Stryker, Dismounted, MCS Block I and II, and Support Equipment related to the TACP-M program and other new and existing projects as assigned. Duties will include but not limited to: In-systems engineering, drawing/design review, some basic software management, team management, program office communication, and general project management duties. Define, develop, and perform taskings within the program requirements. Develop, implement and manage the planning and resource allocation process and practices with team personnel and configuration management processes.

20-0206: Length: 1 year Duties: Provide DISAs Service Support Environment (SSE)/Global Service Desk (GSD) with mission critical technical support within a joint classified support area at DISA HQ, Ft. Meade. Personnel in this position provide immediate Tier II technical support and must have a high aptitude for resolving workstation level technical issues. This is a front-line position requiring professionalism, expert technical skills, and persistent communications with customers and Global Service Desk leadership. A few key duties: installation, modification, and repair of end-devices (laptops, desktops, printers) to resume service and resolve technical issues with Local Area Networks, Wide Area Networks, and other systems. Provide technical assistance and support for incoming queries and issues related to computer systems, software, and hardware. In addition to on-site service restoration support, candidates will actively ensure the security posture of the end-user devices, and as needed provide remediation. Document procedures and coordinate with Tier-I (Regional Support Centers) to improve the agencies ability to achieve First Contact Resolution. QUALIFICATION REQUIREMENTS: Active Top Secret / SCI eligible, Ability to obtain BS70 certification (Security + certification) within 30 days of hiring. Other IT certifications (HDI Desktop, A+, Network+, etc...) are desired, but not required. Experience working desktop/service desk environment or Windows Server admin. Excellent written and verbal communications.

20-0243: Length: 1 year Duties: Telecommunications Project Manager (PM) for DISA HQs global telecommunications projects for the Defense Information Systems Network (DISN). Duties will include various highly visible, high-priority telecommunications projects to transition network services (i.e. voice, video, data, optical and IP transport) to the DISN backbone using existing capabilities or new contract vehicles. The PM will manage project teams, coordinate stakeholders, and will be a primary liaison between DISA HQs and external DoD customers. The PM will be responsible for managing the cost, schedule, and performance metrics of projects. The PM will coordinate and implement changes to strategic communications, and manage all project documentation. The PM will track and report project/product metrics and track those alongside business goals and will hold daily or weekly standups with their team(s) to effectively manage all aspects of the projects cost, schedule, and performance factors. The PM will leverage knowledge management techniques and lessons learned principles to effect current and future project success, enhance learning, and operate continuous service improvement processes. PM will conduct research and analysis of the competitive marketplace to improve products and outcomes. PMs are expected to achieve DAWIA Contracting Level II within 6 months of appointment. /Eligible for PCS costs entitlements/. QUALIFICATION REQUIREMENTS: Project Management Professional (PMP) desired but not required. Contract Officer Representative (COR) experience desired. DAWIA Contracting Certifications preferred. Mastery of Project Management sufficient to make decisions or recommendations significantly changing, interpreting, or developing important policies or standardized operating procedures. Expert knowledge of the Budget, Non-Program IT Acquisition, and, Life-Cycle Replacement. Problem Solver. Excellent written and verbal communication.
20-0249 Admin Asst to the Director

20-0249 - Length: 1 year
   Duties: Serve as Administrative Assistant to the Director of DFAS within the DFAS Executive Support Office. Responsible for the coordination of briefings, information papers and memorandums both within the Agency and to/from senior officials. Review and correctly package distribution of documents for external customers, i.e. USDs and other Department of Defense agencies. Will also be primary vehicle driver for the Agency Director. Wounded Warriors are encouraged to apply.

QUALIFICATION REQUIREMENTS:
Experience in a high ranking professional environment is essential. Ability to manage and work as a member of a team in a large, diverse organization with multiple, competing priorities is a key for success. Must possess strong written and verbal communication skills commensurate with this high level position. Possession or qualification for a security clearance is a plus. Previous assignments in personnel or finance positions is recommended for becoming a government manager. Working knowledge of Microsoft Word, Power Point and Excel is mandatory. Clear driving record is mandatory; defensive driving certification is a plus. Must include last three NCOERs along with Military Bio and a one-page letter to the agency highlighting the service members qualifications specific to this position.
