21-6264	Emergency Management Specialist (Business Continuity Planner)	<p>21-6264, Length 365 Days. The Contingency Planner provides Client Systems program management, training, and guidance by implementing the policies and procedures as directed by the Agency Contingency Planning Office, and Indianapolis Site Support Office. Exercises thorough and detailed knowledge of organizations and locations, classified operations plans, continuity of operations and emergency management regulatory requirements, general policies and procedures. Supports a comprehensive plan aimed at strengthening the security and resilience of the United States. These goals are accomplished through planning, training, and exercises which build and maintain necessary capabilities to prepare, prevent, protect, mitigate, respond to, and recover from emergency incidents. The focus of this position is crisis management, continuity of operations and hazard risk assessment. Qualifications: Completion of all requirements for a bachelor's degree in accounting from an accredited college or university; or a degree in a related field such as business administration, finance, or public administration.</p>	Click HERE to apply
21-6265	DoD Investment Advisory Committee (IAC)	<p>21-6265, Length 21 Days: Investment Advisory Committee (IAC) 21 days per fiscal year. Selectee will serve as a member of an advisory committee for the Department of Defense (DoD) Investment Board. Members formally meet semi-annually and participate in quarterly (or as necessary) teleconferences with auditors, DFAS, and others. Orders for in-person meetings will be Active Duty for Operational Support (ADOS) funded by DFAS. Candidates must possess an understanding of and demonstrate experience managing and/or advising on large trust fund, pension funds, or similar fund investments. Experience working in the institutional markets, specifically in a fixed income capacity, is preferred. The purpose of this position is to provide financial and strategic analysis to the DoD Investment Board. The DoD Investment Board is comprised of the Director, Defense Finance and Accounting Service (Chair); Deputy Chief Financial Officer, Office of the Under Secretary of Defense (Comptroller); and a senior military service member appointed by the Under Secretary of Defense (Comptroller). The DoD Investment Board establishes the investment policies, objectives and strategies for the Military Retirement Fund and the Medicare-Eligible Retiree Health Care Fund, among other trust funds. These funds represent approximately \$1 trillion in assets. The funds are restricted to investments in U.S. Treasury securities. DFAS makes investment decisions at the direction of the Board. The primary objective for the IAC is to provide financial and strategic analysis to DFAS and the DoD Investment Board concerning the trust funds identified above. The financial analysis will include: Review and evaluate the current and proposed investment strategies and the ability of the strategies to meet the trust fund's objectives and requirements, establish and maintain a program to identify and evaluate performance results based on peer reviews (benchmark), development of options for structuring of investments to meet Trust Funds' objectives and requirements, provide options for future investments for the trust funds, analyze risks associated with investment options, analyze risks associated with current funding levels vice total liabilities, produce and present analysis in the form of a written report to the Investment Board, establish and provide methods, procedures, and documentation in the development of all analyses and ultimate recommendations, brief the DoD Investment Board, and be prepared to answer any questions or concerns of the Investment Board.</p>	Click HERE to apply
