QUALIFICATION REQUIREMENTS

Teaches, coaches, and mentors directorate subordinate supervisors in enhanced counseling techniques that optimize employee performance and drive cultural change in line with the Army values. NCOICs will complement the Production Director's ability to make decisions or recommendations significantly changing, interpreting, or developing important policies or standardized operating procedures. Expert knowledge of the Budget, Non-Program IT Acquisition, and Life-Cycle Replacement. Problem-solving skills include the analysis of projects cost, schedule and performance factors. The PM will leverage knowledge techniques and lessons learned principles to effect current and future project success, enhance learning, and will operate continuous improvement processes. PM will work alongside the lead project manager to process and prepare formal project documents. The PM will work with lead project managers, the Program Manager, and Army and civilian Division Chiefs. Acts for the PM in his absence. Establishes program objectives, develops long range plans, and identifies required resources in order to promote an efficient, economical, and progressive organization. Interprets and implements local and higher echelon policies and regulations. Position assigns responsibility for accomplishment of specific functions and participates with other managers in setting organizational goals as well as assures development and establishment of adequate internal control systems. Coordinates the accomplishment of major projects and has the responsibility for policies, plans, and analysis which directly shape and improve FSTAG missions, activities, and base operations.

Duties:

- Establish SOPs, develop and execute doctrinal POIs and curriculum, manage sustainment S1/S4 functions, synchronize efforts, and ensure fullfillment of all specified and implied tasks of the detachment commander and MAG HQ, and provide oversight of two DOD Maritime Special Operations and DLI English contracted instructors. Advise in the Program Management of SF Ranger and BUD/S Foreign Military Sales (FMS) cases totaling over $21.5M. Preferred Qualifications: Ranger, Special Forces, or SEAL-qualified (tab or Trident required), 11B/18-series. Two years experience working at the tactical level, to include Platoon Sergeant/equivalent duty positions. One year experience working with foreign military, Arab or other Islamic culture in a deployed environment -Experience as a Security Cooperation Officer, Security Assistance Training, or closely-related JIIM duties (experience on NPT / ETT / OM/T Teams, etc.);
