Dear «FirstName» «LastName»,

### Why we are writing

We are writing regarding the change to the Survivor Benefit Plan (SBP) Optional Annuity for Dependent Children and the reversion of SBP annuity payments to eligible surviving spouses in 2023. Congress recently enacted significant changes to the SBP program that may enhance this benefit for you as the surviving spouse, but first we need to verify your eligibility for the program.

Our records show that when your spouse died, an election was made to pay the SBP annuity to the surviving child/children. Changes in the law, effective January 1, 2023, direct the SBP annuity to be paid to the member's surviving spouse, if eligible, instead of the child(ren).

This packet includes the documents we need you to fill out and return. These documents will help us determine your eligibility for SBP annuity payments and set up your account to begin your payments (if you are eligible) when the changes take effect on January 1, 2023. See the information on the next page.

### What you need to know

The Department of Defense Survivor Benefit Plan (SBP) provides financial support to military spouses and/or children when a military member dies on active duty or inactive duty in the line of duty. The Survivor Benefit Plan (SBP) provides eligible beneficiaries with a monthly payment known as an annuity. The recipient of an SBP annuity is referred to as the annuitant. The annuitant may be a surviving spouse or surviving child (but not both).

When a service member dies on active or inactive duty in the line of duty, the surviving spouse can request to have the SBP annuity paid directly to an eligible dependent child or children. This is called the "Optional Annuity for Dependent Children." The option is available because until recently, there was a requirement for a spouse's SBP payments to be offset (reduced) by the full amount of the spouse's Dependency and Indemnity Compensation (DIC) payment from the Department of Veterans Affairs (VA). Payments to the surviving child were often considered a more favorable option because SBP paid to a child is **not** required to be offset (reduced) by the DIC payment.

The National Defense Authorization Act (NDAA) for Fiscal Year 2020 modified the law that requires an offset (reduction) of SBP payments for surviving spouses who are also entitled to DIC payments from the VA. It directed a phase-out period that will eventually eliminate the entire offset (reduction). Beginning on January 1, 2023, surviving spouses can receive full SBP payments from DoD/DFAS in addition to their full DIC payments from the VA.

The NDAA for Fiscal Year 2020 also directed that as of January 1, 2023, the Optional Annuity for Dependent Children will be eliminated and the SBP annuity payment must revert to the surviving spouse (**if** the surviving spouse submits documentation confirming eligibility).

Although the effective date of this change is not until 2023, we are reaching out early with the documents we need from you to assess your eligibility. We can now accept and begin reviewing your eligibility documents. If we receive the enclosed documents with the information we need from you early, we can provide you with the assessment of your future SBP eligibility well in advance of 2023.

If you remarried after the death of the member (before age 55), you may not be eligible for the SBP annuity. We must receive a reply from you, **even if** you believe you may not be eligible due to remarriage. If we have the documentation to make a determination that you are not eligible, we can continue to pay the annuity to an eligible child, even after January of 2023. However, if we do not receive documentation allowing us to confirm you are not eligible, the child annuity payments **must be suspended** as of January 2023 until we receive the documentation. Therefore, we ask that you complete and submit the attached documents even if you believe you may not be eligible for the SBP annuity.

Once we receive your documents, we anticipate that we will be able to provide you with the results of our review within 45-60 days of receiving all of the required information.

Please note that January 2023 benefits will be paid on **February 1, 2023**. SBP benefits are paid on the first day of the following month. Also, in most instances, SBP annuity payments are subject to federal taxes. State and local taxes vary. We are not able to withhold state or local taxes from SBP payments.

## **INSTRUCTIONS - Please use the instructions below that fit your individual situation.**

### **Situation One**

If you are the surviving spouse of a service member who died on active duty or on inactive duty in the line of duty and you previously requested the Optional Annuity for Dependent Children, you may be eligible to begin receiving SBP annuity payments directly (without offset) after the January 1, 2023 effective date. We need the following documents to determine your eligibility.

Please fill out, sign and return the following four enclosed documents as soon as possible:

(1) 2656-7 Verification for Survivor Annuity form (please note: you can disregard sections 4, 5 and 6 on the 2656-7 form, so they have been removed on the enclosed special version); and

(2) Certificate of Eligibility (COE) for Surviving Spouse; and

(3) Direct Deposit form 1059; and

(4) IRS W-4P Withholding Certificate for Pension or Annuity Payments.

Please note: If you are the surviving spouse and you are not a US citizen or you are using an international bank, we will need additional documentation from you. Please see the webpage for special instructions: <u>https://www.dfas.mil/sbp2023childoptrev</u>

Please submit the documents no later than August 31, 2022.

We have a helpful Form Wizard for the 2656-7 form, a helpful how-to checklist, and options for submitting your documents online. See the Helpful Tips and Tools on the next page.

### **Situation Two**

If you are the surviving spouse of a service member who died on active duty or on inactive duty in the line of duty and you previously requested the Optional Annuity for Dependent Children, and you believe you may NOT be eligible for the SBP annuity payments because you remarried after the death of the member and before age 55, we DO need the following documents to determine your eligibility.

Please fill out, sign and return the following two of the enclosed documents as soon as possible, along with supporting documents referred to on the COE. You do not need to fill out and return the W4P or the Direct Deposit form 1059 at this time.

(1) 2656-7 Verification for Survivor Annuity form (please note: you can disregard sections 4, 5 and 6 on the 2656-7 form, so they have been removed from the enclosed special version); and
(2) Certificate of Eligibility (COE) for Surviving Spouse

Please submit the documents no later than August 31, 2022. If your marital status changes, please notify us promptly, so we can re-determine your eligibility at that time.

We have a helpful Form Wizard for the 2656-7 form, a helpful how-to checklist, and options for submitting your documents online. Also, see the Helpful Tips and Tools on the next page.

### **Situation Three**

### If you are not the surviving spouse, and the surviving spouse has passed away:

To document a surviving spouse as deceased, we need a **photocopy** of the death certificate **showing the cause of death**. Please **write the deceased member's Social Security Number** on the top of a photocopy of the spouse's death certificate and **include a photocopy of the first page of the cover letter in this package** with the **photocopy** of the spouse's death certificate, **as well as a note with your full name and phone number and relationship to the deceased**. They can be either mailed, faxed or uploaded online as PDFs via the askDFAS online upload tool on our website. See the next page for information. Please submit the documents no later than **August 31, 2022**.

## **General Instructions**

Section references are to the Internal Revenue Code.

**Future developments.** For the latest information about any future developments related to Form W-4P, such as legislation enacted after it was published, go to *www.irs.gov/FormW4P*.

**Purpose of form.** Complete Form W-4P to have payers withhold the correct amount of federal income tax from your periodic pension, annuity (including commercial annuities), profit-sharing and stock bonus plan, or IRA payments. Federal income tax withholding applies to the taxable part of these payments. Periodic payments are made in installments at regular intervals (for example, annually, quarterly, or monthly) over a period of more than 1 year. Don't use Form W-4P for a nonperiodic payment (note that distributions from an IRA that are payable on demand are treated as nonperiodic payments) or an eligible rollover distribution (including a lump-sum pension payment). Instead, use Form W-4R, Withholding Certificate for Nonperiodic Payments and Eligible Rollover Distributions, for these payments/distributions. For more information on withholding, see Pub. 505, Tax Withholding and Estimated Tax.

**Choosing not to have income tax withheld.** You can choose not to have federal income tax withheld from your payments by writing "No Withholding" on Form W-4P in the space below Step 4(c). Then, complete Steps 1a, 1b, and 5. Generally, if you are a U.S. citizen or a resident alien, you are not permitted to elect not to have federal income tax withheld on payments to be delivered outside the United States and its possessions.

**Caution:** If you have too little tax withheld, you will generally owe tax when you file your tax return and may owe a penalty unless you make timely payments of estimated tax. If too much tax is withheld, you will generally be due a refund when you file your tax return. If your tax situation changes, or you chose not to have federal income tax withheld and you now want withholding, you should submit a new Form W-4P.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you (or you and your spouse) receive. If you do not have a job and want to pay these taxes through withholding from your payments, you should enter the self-employment income in Step 4(a). Then compute your self-employment tax, divide that tax by the number of payments remaining in the year, and include that resulting amount per payment in Step 4(c). You can also add half of the annual amount of self-employment tax to Step 4(b) as a deduction. To calculate self-employment tax, you generally multiply the self-employment income by 14.13% (this rate is a quick way to figure your self-employment tax and equals the sum of the 12.4% social security tax and the 2.9% Medicare tax multiplied by 0.9235). See Pub. 505 for more information, especially if your self-employment income multiplied by 0.9235 is over \$147.000.

**Payments to nonresident aliens and foreign estates.** Do not use Form W-4P. See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities, and Pub. 519, U.S. Tax Guide for Aliens, for more information.

**Tax relief for victims of terrorist attacks.** If your disability payments for injuries incurred as a direct result of a terrorist attack are not taxable, write "No Withholding" in the space below Step 4(c). See Pub. 3920, Tax Relief for Victims of Terrorist Attacks, for more details.

# **Specific Instructions**

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you have at least one of the following: income from a job, income from more than one pension/annuity, and/or a spouse (if married filing jointly) that receives income from a job/pension/annuity. The following examples will assist you in completing Step 2.

**Example 1.** Bob, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Bob also has a job that pays \$25,000 a year. Bob has no other pensions or annuities. Bob will enter \$25,000 in Step 2(b)(i) and in Step 2(b)(ii).

If Bob also has 1,000 of interest income, which he entered on Form W-4, Step 4(a), then he will instead enter 26,000 in Step 2(b)(i) and in Step 2(b)(iii). He will make no entries in Step 4(a) on this Form W-4P.

**Example 2.** Carol, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Carol does not have a job, but she also receives another pension for \$25,000 a year (which pays less annually than the \$50,000 pension). Carol will enter \$25,000 in Step 2(b)(ii) and in Step 2(b)(iii).

If Carol also has \$1,000 of interest income, then she will enter \$1,000 in Step 4(a) of this Form W-4P.

**Example 3.** Don, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Don does not have a job, but he receives another pension for \$75,000 a year (which pays more annually than the \$50,000 pension). Don will not enter any amounts in Step 2.

If Don also has \$1,000 of interest income, he won't enter that amount on this Form W-4P because he entered the \$1,000 on the Form W-4P for the higher paying \$75,000 pension.

**Example 4**. Ann, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Ann also has a job that pays \$25,000 a year and another pension that pays \$20,000 a year. Ann will enter \$25,000 in Step 2(b)(i), \$20,000 in Step 2(b)(ii), and \$45,000 in Step 2(b)(ii).

If Ann also has \$1,000 of interest income, which she entered on Form W-4, Step 4(a), she will instead enter \$26,000 in Step 2(b) (i), leave Step 2(b)(ii) unchanged, and enter \$46,000 in Step 2(b) (iii). She will make no entries in Step 4(a) of this Form W-4P.

If you are married filing jointly, the entries described above do not change if your spouse is the one who has the job or the other pension/annuity instead of you.

Multiple sources of pensions/annuities or jobs. If you (or if married filing jointly, you and/or your spouse) have a job(s), do NOT complete Steps 3 through 4(b) on Form W-4P. Instead, complete Steps 3 through 4(b) on the Form W-4 for the job. If you (or if married filing jointly, you and your spouse) do not have a job, complete Steps 3 through 4(b) on Form W-4P for **only** the pension/annuity that pays the most annually. Leave those steps blank for the other pensions/ annuities.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. Including these credits will increase your payments and reduce the amount of any refund you may receive when you file your tax return.

## Specific Instructions (continued)

#### Step 4 (optional).

**Step 4(a).** Enter in this step the total of your other estimated income for the year, if any. You shouldn't include amounts from any job(s) or pension/annuity payments. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your pension, see Form 1040-ES, Estimated Tax for Individuals.

**Step 4(b).** Enter in this step the amount from the Deductions Worksheet, line 6, if you expect to claim deductions other than the basic standard deduction on your 2022 tax return and want to reduce your withholding to account for these deductions. This includes itemized deductions, the additional standard

deduction for those 65 and over, and other deductions such as for student loan interest and IRAs.

*Step 4(c).* Enter in this step any additional tax you want withheld from **each payment**. Entering an amount here will reduce your payments and will either increase your refund or reduce any amount of tax that you owe.

**Note:** If you don't give Form W-4P to your payer, you don't provide an SSN, or the IRS notifies the payer that you gave an incorrect SSN, then the payer will withhold tax from your payments as if your filing status is single with no adjustments in Steps 2 through 4. For payments that began before 2022, your current withholding election (or your default rate) remains in effect unless you submit a new Form W-4P.

	Step 4(b) – Deductions Worksheet (Keep for your records.)		
1	Enter an estimate of your 2022 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income	1	\$
2	Enter:	2	\$
3	If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"	3	\$
4	<ul> <li>If line 3 equals zero, and you (or your spouse) are 65 or older, enter:</li> <li>\$1,750 if you're single or head of household.</li> <li>\$1,400 if you're a qualifying widow(er) or you're married and one of you is under age 65.</li> <li>\$2,800 if you're married and both of you are age 65 or older.</li> <li>Otherwise, enter "-0-". See Pub. 505 for more information</li></ul>	4	\$
5	Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information	5	\$
6	Add lines 3 through 5. Enter the result here and in Step 4(b) on Form W-4P	6	\$
