SECTION 1: IS A PIA REQUIRED?

a. Will this Department of Defense (DoD) information system or electronic collection of information (referred to as "electronic collection" for the purpose of this form) collect, maintain, use, and/or disseminate personally identifiable information (PII) about members of the public, Federal personnel, contractors or foreign nationals employed at U.S. military facilities internationally? Choose one option from the choices below. (Choose (3) for foreign nationals).

- (3) Yes, from both members of the general public and Federal personnel and/or Federal contractors.
- (4) No

*"Federal personnel" are referred to in the DoD IT Portfolio Repository (DITPR) as "Federal employees."

b. If "No," ensure that DITPR or the authoritative database that updates DITPR is annotated for the reason(s) a PIA is not required. If the DoD information system or electronic collection is not in DITPR, ensure that the reason(s) are recorded in appropriate documentation.

c. If "Yes," then a PIA is required. Proceed to Section 2.

SECTION 2: PIA SUMMARY INFORMATION

a. Why is this PIA being created or updated? Choose one:

- New DoD Information System New Electronic Collection
 Existing DoD Information System Existing Electronic Collection
 Significantly Modified DoD Information System

b. Is this DoD information system registered in the DITPR or the DoD Secret Internet Protocol Router Network (SIPRNET) IT Registry?

- Yes, DITPR Enter DITPR System Identification Number
 Yes, SIPRNET Enter SIPRNET Identification Number
 No

c. Does this DoD information system have an IT investment Unique Project Identifier (UPI), required by section 53 of Office of Management and Budget (OMB) Circular A-11?

- Yes Enter UPI

If unsure, consult the Component IT Budget Point of Contact to obtain the UPI.

- No

d. Does the DoD information system or electronic collection have a Privacy Act System of Records Notice (SORN)?

A Privacy Act SORN is required if the information system or electronic collection contains information about U.S. citizens or lawful permanent U.S. residents that is retrieved by name or other unique identifier. PIA and Privacy Act SORN information should be consistent.

- Yes Enter Privacy Act SORN Identifier

f. Authority to collect information. A Federal law, Executive Order of the President (EO), or DoD requirement must authorize the collection and maintenance of a system of records.

(1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be the same.

(2) Cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply.)

(a) Whenever possible, cite the specific provision of the statute and/or EO that authorizes the operation of the system and the collection of PII.

(b) If a specific statute and/or EO does not exist, determine if an indirect statutory authority can be cited. An indirect authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.

(c) DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive or instruction implementing the statute within the DoD Component should be identified.

5 U.S.C. 301, Departmental regulations, Department of Defense Financial Management Regulation (DoDFMR) 7000.14-R Vol. 4, 31 U.S.C. Sections 3511 and 3513 and E.O. 9397 (SSN).

g. Summary of DoD information system or electronic collection. Answers to these questions should be consistent with security guidelines for release of information to the public.

(1) Describe the purpose of this DoD information system or electronic collection and briefly describe the types of personal information about individuals collected in the system.

BARS automates the accounts receivable functions on Air Force bases for trailer space rentals, Class B telephones, and miscellaneous reimbursement accounts. BARS bills customers for current monthly charges in addition to collecting cash payments from cash customers and payroll deductions from Air Force military customers out of their military pay accounts. Accounts receivable records will be maintained for customers billed by account type and monthly management reports are produced. In addition, the system generates follow-up documents that will provide the system users information on interest charges incurred on delinquent accounts.

(2) Briefly describe the privacy risks associated with the PII collected and how these risks are addressed to safeguard privacy.

The result of mishandling personal data may lead to lost, stolen or compromised PII which could be harmful to the individual in many ways (e.g., identify theft, damage to the individual's reputation and/or financial hardship). Such incidents could cast DFAS in an unfavorable light to the public. Hence, access is limited to persons authorized to service or to use the system in performance of their official duties (requires screening and approval for need to know). DFAS adheres to physical protections of PII as described in accordance with DFAS 5200.1-R. IA policy (DFAS 8400.1-R) prescribes protection requirements for sensitive data, to include PII, for all DFAS systems. Management responsibilities for protecting data are maintained in DFAS 8500.1

h. With whom will the PII be shared through data exchange, both within your DoD Component and outside your Component (e.g., other DoD Components, Federal Agencies)? Indicate all that apply.

Within the DoD Component. Specify

PII data from BARS is shared with the Defense Joint Military Pay System (DJMS) and the General Accounting and Financial System (GAFS). It is also shared with internal DFAS organizations that demonstrate a 'need to know' (e.g. Military Pay).

Other DoD Components. Specify

(2) If "No," state the reason why individuals cannot object.

j. Do individuals have the opportunity to consent to the specific uses of their PII?

(1) If "Yes," describe the method by which individuals can give or withhold their consent.
