

DFAS Limestone

DFAS Limestone serves the Air Force, Air Force Reserve and Air National Guard providing finance and accounting services to the entire operational Air Force. These services include appropriated funds accounting and reporting, working capital funds accounting and reporting, accounts payable and accounts receivable. In addition, we are the Center of Excellence for Transportation Working Capital Fund Accounting in support of the U.S. Transportation Command and its subordinate military components. Our area of responsibility virtually spans the world—from Afghanistan in the east to Hawaii in the west—and covers 14 time zones. DFAS Limestone employs approximately 600 Department of Defense civilian personnel.

Preparation for Your First Day

Your point of contact for in-processing is Jack Parisi (207-328-1140) or Arthur Faucher (207-328-1466). Upon arrival pull up to the front gate on Arkansas Road, press the black call button, wait for a dial tone and press “1”. When the phone is answered identify yourself by name and the last four digits of your social security number. The staff will open the gate so you may enter the parking lot. After parking, enter the lobby in the front of the building and call Mr. Parisi or Mr. Faucher on the lobby phone by dialing 1140 or 1466.

Make sure you arrive with the following:

- Driver’s license
- Social Security card, birth certificate or passport
- Your bank routing and account number (you may use a voided check) to sign up for direct deposit
- If you have prior military service, a copy of your DD214
- **Completed forms.** You can find the list of forms [here](#). All forms are required except the Term/Temp Appointment and Retired Military/Reserve Category forms. Only complete these forms if they apply to you.
