(1) Describe the purpose of this DoD information system or electronic collection and briefly describe the types of personal information about individuals collected in the system.

One Pay is an on-line vendor payment system. One Pay provides invoice tracking, on-line inquiry, invoice status, and disbursing reports. To mitigate risk, One Pay access is limited to authorized personnel who service or use the system to perform official duties. Obtaining access requires screening and approval for need to know.

DFAS adheres to DFAS 5200.1-R IA policy (DFAS 8400.1-R) which prescribes protection requirements for sensitive data, to include PII, for all DFAS systems. Management responsibilities for protecting the PII data are also reflected in DFAS 8500.1-R.
